

California Pan-Ethnic Health Network

EQUITY in BEHAVIORAL HEALTH

OCT - DEC 2018

ABOUT, webinar series

Communities of color and LGBTQ have historically been unserved, underserved, or inappropriately served by California's behavioral health system.

Learn more about mental health systems, SUD treatment, and policy strategies for reducing disparities.

Get the tools and skills you need to advocate for your communities!

- #1** | **Mental Health Systems: Navigating Medi-Cal & County Programs**
